NBMCA RFP 19-01

**PARKS AND JESSUPS CREEKS  
FLOODPLAIN MAPPING PROJECT**

**ADDENDUM 2**

**July 25, 2019**

Please see the following information related to NBMCA RFP 19-01 for the Parks and Jessup Creeks Floodplain Mapping Project.

Please note that the deadline to receive Proposals has been extended from July 31<sup>st</sup>, 2019 to August 5<sup>th</sup>, 2019. Four copies of the proposal, clearly marked "Proposal for the updating of the Parks and Jessup Creeks Floodplain Mapping Project" **must be received by NBMCA no later than 4:00 p.m. EDT on August 5<sup>th</sup>, 2019** at:

North Bay-Mattawa Conservation Authority  
15 Janey Avenue, 2<sup>nd</sup> Floor  
North Bay, ON P1C 1N1

Please note that existing reports and floodplain mapping for the Parks and Jessup Creeks subwatersheds are now available on MERX, and from the following FTP site (access code 4592):

<https://secure.cityofnorthbay.ca/FileTransferProgram/Project/Details/48fc6eb0-ab28-4a4d-bf56-c001a8591f21>

NBMCA has obtained additional information regarding the railway corridors in the project area, to assist Consultants in identifying any requirements for work in those areas. The more western railway corridor, closer to Lake Nipissing, is owned by Canadian Pacific (CP) and operated by Ottawa Valley Railway. The more eastern railway corridor, closer to Highway 11, is owned and operated by Canadian National (CN).
