OBC CLEARANCE

GUIDELINE

The required information in this application will allow North Bay-Mattawa Conservation Authority (NBMCA) to review garage or accessory building applications to assess whether the proposed construction lies in accordance with Part 8 of the Ontario Building Code (OBC).

The application must be fully completed prior to submission to NBMCA (North Bay or Parry Sound). All plans and/or site maps must be completed **IN INK**. Plans and site maps must not be drawn on paper exceeding 11"x 17" in size. They must be **LEGIBLE** and contain **ALL** information as listed below.

- 1. Applicants name, property address (civic);
- 2. Provide a written description of the proposed development;
- 3. Lot sizes (area), property dimensions, roads, existing/proposed rights-of-way or easements, and municipal/utility corridors, and all owned or un-owned lakeshore road allowances;
- 4. Show and identify neighboring properties, include wells, structures, and sewage systems on adjacent properties (document if any at all);
- 5. Show the location and size of all existing sewage system components (tanks, pump chambers, alarms, distribution bed);
- 6. Show the distances of sewage system components to structures;
- 7. Show the distances of sewage system components to all property lines, easements, rights-of-way, driveways, structures, and wells;
- 8. Show the direction of water flow (surface);
- 9. Show any surface water (creek, pond, lake) on or adjacent to the property and provide the common name, and:
- 10. Indicate the direction of North on the site plan.

To ensure that the application can be processed without delays, the applicant must confirm that the application is complete, with all information requested and forms completed to a level of detail that does not leave any uncertainty.

If a site inspection is required, the applicant <u>MUST</u> flag lot lines and mark the approximate location of sewage system components as well as the proposed development site as to ensure NBMCA staff can properly complete an inspection.

FEE SCHEDULE - (SUBMIT WITH APPLICATION)

Ontario Building Code (OBC) Clearance	\$200.00
OBC Clearance Site Inspection Required	\$350.00

SITE PLANS – (SUBMIT WITH APPLICATION)

Site Plans are the most important part of the application. All plans or site maps must be completed **IN INK** and must not be drawn on paper exceeding 11"x 17" in size. They must be **LEGIBLE** and contain **ALL** information as listed in the Guidelines of this application. These can be surveys or drawings as long as they are accurate and to scale.

DECLARATION OF APPLICANT	
[(print name)	understand that it is my responsibility to ensure
that the information provided is true and accurate a	and that the North Bay-Mattawa Conservation Authority will not be
held responsible for incorrect information provided	to it by an applicant.
Date	Signature of Property Owner

NOTE:

If the person signing the application is not the owner; a signed letter from the owner authorizing the person to act on the owner's behalf must accompany the application.
