P. 33, I, GRAYDON SMITH, do hereby designate the class of persons in Column 1 of the attached Schedule as a provincial offences officer for the Acts and accompanying regulations, subject to any listed restrictions, described in Column 2 of the item.

This designation revokes Item 9 of the previous designation by the Minister of Natural Resources and Forestry, dated August 29, 2007, and comes into force on the later of April 1, 2024 and the day this designation is signed.

Dated at TORONTO this 20 day of March, 2024.

Honourable Graydon Smith  
Minister of Natural Resources and Forestry

**SCHEDULE – DESIGNATION OF PROVINCIAL OFFENCES OFFICERS**

Item	Column 1 Class of Persons	Column 2 Class of Offences
1.	Any officer appointed under section 30.1 of the <i>Conservation Authorities Act</i>	All offences under the following Acts and accompanying regulations when carrying out duties within their conservation authority:  <i>Conservation Authorities Act</i> <i>Trespass to Property Act</i>

**TO:** The Chairperson and Members of the Board of Directors,  
North Bay-Mattawa Conservation Authority

**ORIGIN:** Aaron Lougheed, Manager, Finance

**DATE:** March 21, 2024

**SUBJECT:** Financial Statements for the period January 1, 2023 to December 31, 2023;  
Unaudited Balance Sheet and Budget vs. Actual Reports

**Background:**

Presented to the board for their consideration are the unaudited financial statements for the year ended December 31, 2023. These statements are subject to change following the auditors review and certification.

**Analysis:**

**Budget Vs Actual**

Total income was up or level with budget in 16 of 21 program areas with 5 programs seeing decreased revenues to budget. Donations toward capital projects were up in both Outreach and Lands and Properties capital. Fees were down in Watershed Planning (71% of budget), OSS Septics (89% of budget), and S.28 Regulations (71% of budget).

Total Expenses were down or level in 17 of 21 program areas with 4 programs seeing higher than anticipated expenses. Savings in capital programs are largely due to the ongoing, multi-year nature of the projects including finalisation of major works projects such as the Tower Deck Repair, Miskwaadesi and Flood Plain Mapping.

**RECOMMENDED RESOLUTIONS:**

**THAT** the Unaudited Balance Sheet and Budget Vs. Actual Reports be approved by the members of the Board of Directors and appended to the minutes of this meeting.

**TO:** The Chairperson and Members  
of the Board of Directors,  
North Bay-Mattawa Conservation Authority

**ORIGIN:** Valerie Murphy, Regulations Officer

**DATE:** March 13, 2024

**SUBJECT:** Report on Development, Interference with Wetlands and Alterations to Shorelines  
and Watercourses Permits

**Background:**

Section 28 of the *Conservation Authorities Act*, and subsequently Ontario Regulation 97/04 empowers each Conservation Authority to establish their own regulation to prevent the loss of life and property due to flooding and erosion, and to conserve and enhance natural resources. On May 4, 2006, the North Bay-Mattawa Conservation Authority (NBMCA) received its regulation entitled the Development, Interference with Wetlands, and Alterations to Shorelines and Watercourse Regulation (Ontario Regulation 177/06). This regulation will continue to be used as the tool by which the NBMCA manages issues related to development in natural hazard areas including areas with floodplains, wetlands, and steep slopes. Within this regulation, a permit may be given by an Authority for development applications within the Authority's jurisdiction for:

28(1)(b) prohibiting, regulating or requiring permission of the authority for straightening, changing, diverting or interfering in any way with the existing channel of a river, creek, stream or watercourse, or for changing or interfering in any way with a wetland;

28(1)(c) prohibiting, regulating, or requiring the permission of the authority for development if, in the opinion of the authority, the control of flooding, erosion, dynamic beaches or pollution or the conservation of land may be affected by the development (Conservation Authorities Act, R.S.O. 1990, Chapter C.27).

On February 8, 2013, the amended Ontario Regulation 177/06 came into effect. These amendments were approved by the NBMCA Board of Directors on December 19, 2012. On February 29, 2024, the NBMCA Board of Directors updated the delegation of approvals of permit applications to the following designated employees:

- Chief Administrative Officer, Secretary-Treasurer
- Director, Water Resources / Deputy CAO

As such, this Board Report is being presented to the NBMCA Board of Directors for information purposes.

**Analysis:**

Eleven new permits have been issued by the Conservation Authority since the previously approved minutes as per the policies, procedures, and guidelines of the NBMCA under Development, Interference with Wetlands and Alterations to Shorelines and Watercourses Regulation. A table summarizing the details of these permits is attached to this report.

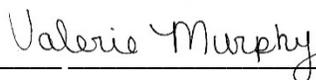

Of the newly issued permits three were issued for shoreline alterations, two were issued each for dredging and the construction of dwellings, and one permit was issued for each of the following activities: filling, dock construction, construction of an accessory structure and an addition to an existing structure.

**Recommendation:**

**THAT** the members receive and approve the Development, Interference with Wetlands and Alterations to Shorelines and Watercourses Permits as presented.

**Recommended Resolution:**

**THAT** the Development, Interference with Wetlands and Alterations to Shorelines and Watercourses Permits report is received and appended to the minutes of this meeting.

of the Board of Directors,  
North Bay-Mattawa Conservation Authority

**ORIGIN:** Valerie Murphy, Regulations Officer

**DATE:** March 28, 2024

**SUBJECT:** Recommendation for Delegation of Powers Related to Permit Issuance,  
Cancellation and Hearings

**Background:**

On April 1, 2024, the *Conservation Authorities Act* will be amended, including the proclamation of Part VI (*Regulation of Areas Over Which Authorities Have Jurisdiction*). Included in this proclamation is the enactment of section 28.4 (*Delegation of Power*). Through this subsection, an Authority may delegate any of its powers related to the **issuance or cancellation of permits** under the Act or the regulations, **or to the holding of hearings in relation to the permits**, to the **Authority's executive committee or to any other person or body**, subject to any limitations or requirements that may be prescribed by regulation. Prior to April 1, 2024, subsection 28(2) of the Act (to be repealed) provided that a Conservation Authority regulation could delegate any of the Authority's powers or duties under the regulation to the Authority's executive committee or any other person or body, subject to regulatory limitations and requirements.

While many Conservation Authorities have delegated powers to the executive committee and/or staff related to the granting of permissions, the new section 28.4 of the Act provides additional delegation authority for consideration.

The ability to delegate powers related to the issuance and cancellation of permits, as well as holding of hearings and complete application reviews, presents an opportunity to streamline administrative components of the permit review and decision-making process. Current Authority delegation of powers to the executive committee or CA staff will need to be updated further to the enactment of Part VI of the Act.

**Analysis:**

NBMCA offers the following recommendations and rationale for delegation of powers related to permit issuance, cancellation, and holding of hearings.

Activity	Recommended Delegation	Rationale
Issuance & Extension of Permits (up to the maximum period of validity)	<b>Issuance and Extension of Permits</b> -Chief Administrative Officer, Secretary-Treasurer -Director, Water Resources/Deputy CAO  <b>Hearings</b> -Executive Committee of Board of Directors	<ul style="list-style-type: none"> <li>• Delegation of powers to staff for affirmative permitting decisions is currently in place for most CAs and is consistent with provincial direction*</li> <li>• Expediency to review and issue permits within legislated and regulated timeframes (new requirement)</li> <li>• Hearings further to an Authority's notice of intent to refuse an extension request would be subject to the <i>Statutory Powers and Procedure Act</i></li> </ul>
Cancellation of Permits	<b>Notice of intent to cancel</b> -Chief Administrative Officer, Secretary-Treasurer -Director, Water Resources/Deputy CAO  <b>Hearing for cancellation</b> -Executive Committee of Board of Directors	<ul style="list-style-type: none"> <li>• Cancellation of permits involves opportunity for a hearing before the Authority or its delegate</li> <li>• Hearings would be subject to the <i>Statutory Powers Procedure Act</i></li> <li>• Decisions from the hearing process are subject to appeal to the Ontario Land Tribunal</li> </ul>

**DATE:** March 28, 2024

**SUBJECT:** Updated North Bay -Mattawa Conservation Authority Personnel Policy

**Background:**

The Ministry of Labour, Immigration, Training and Skills Development (MLITSD) issued an order on January 22, 2024, directing NBMCA to update the workplace harassment and violence policy. NBMCA staff complied and updated the policy accordingly, obtaining Board approval in February 2024.

The policy was sent to MLITSD for their review and on March 8, 2024, NBMCA received an email from the inspector MLITSD with additional comments to be addressed in the policy including measures and procedures to control the risks identified in the assessment and addressing domestic violence. The compliance date to provide more time to work on these policy/programs was extended by the inspector until April 30, 2024.

**Analysis:**

The Personnel Policy has been updated to include the changes requested in the email communication received from the MLITSD inspector. The changes include an updated on the provisions of the Ontario OSA 32.0.2 (1)

**Recommendation:**

That the NBMCA approve of the changes as outlined in the attached updated Personnel Policy

**Recommended Resolution:**

**THAT** the Updated North Bay -Mattawa Conservation Authority Personnel Policy be approved and appended to the minutes of this meeting.

**Prepared by**

Mark Bremer, Director, Corporate Services, Human Resources and Labour Relations

**Reviewed By**

Chitra Gowda, Chief Administrative Officer, Secretary Treasurer

**TO:** The Chairperson and Members of the Board of Directors,  
North Bay-Mattawa Conservation Authority

**ORIGIN:** Aaron Lougheed, Manager, Finance

**DATE:** March 20, 2024

**SUBJECT:** Laurentian Ski Hill Capital Reserve Request

### **Background**

The Laurentian Ski Hill Snowboarding Club (“Ski Hill”) operates the ski hill on property owned by the North Bay-Mattawa Conservation Authority (NBMCA) and uses certain fixed capital assets owned by the NBMCA. The NBMCA holds two reserve accounts for the Ski Hill. One is to assist with Ski Hill operational expenses and the other is to help with NBMCA-owned capital asset expenses.

The agreement between NBMCA and the Ski Hill is such that borrowing from the reserve accounts requires NBMCA approval. The agreement also requires that the Ski Hill provide NBMCA with monthly balance sheets, income statements (with budget comparisons delivered within 5 weeks following the month end) and audited financial statements within reason of its April 30th year end.

NBMCA received funding requests from the Ski Hill as follows: through an email sent to NBMCA on March 14, 2024, the Ski Hill requested funds of \$87,354.55 from the NBMCA’s Ski Hill capital reserve to pay eight invoices related to their 2023 Chair Lift TSSA Audit and Maintenance. These assets are owned by the NBMCA. A copy of the invoices are attached to this report.

### **Analysis**

Staff analysis involves reviewing the current capital reserves at NBMCA for the Ski Hill and, when available, the unaudited/audited financial statements and monthly reports from the Ski Hill.

Upon reviewing the invoices for the requested funds staff have determined that the request is appropriate to pay as the payment is considered a repair, or maintenance, and improves the lifespan of NBMCA assets.

See Table 1: NBMCA’s Ski Hill Capital Reserve for current capital reserve balance. Note that the balance does not include the 2024 Ski Hill Capital Reserve Requests.

**Table 1: NBMCA's Ski Hill Capital Reserve**

Description	Amount
Capital Reserve	\$138,360
Request from the Ski Hill to NBMCA to pay contractor invoice	\$87,354.55
Estimated balance remaining on completion of above transaction (net of HST)	\$61,055

**Recommendation:**

Staff recommend that the NBMCA Board approve the Ski Hill's request for \$87,354.55 from the NBMCA's Ski Hill capital reserve for the purpose of paying invoices related to the repair, maintenance, and audit of the NBMCA owned Ski Hill assets.

**Recommended Resolution:**

**THAT** the staff report 'Laurentian Ski Hill Capital Reserve Request' is received and appended to the minutes of this meeting;

**AND THAT** the Members approve the Laurentian Ski Hill and Snowboarding Club's request for \$87,354.55 from the NBMCA's Ski Hill capital reserve.

**SUBJECT:** Proposed Revision to Fee Schedule for On-site Sewage System Program

**Background:**

The Ontario Building Code enables NBMCA to charge fees for services related to the on-site sewage system program (OSS). The services and fees are outlined on the Fee Schedule which is periodically updated and approved by the NBMCA Board of Directors. Our Fees Policy is based on three principles: user-pay, adequate consultation and notification, and right to appeal.

**Analysis:**

NBMCA staff have reviewed the 2023 OSS fee schedule using preliminary information from the Watson and Associates fee review study that is currently underway. The Watson study provides an assessment of the amount of staff time expended toward processing permits and other services noted on the OSS fee schedule.

Staff propose the following schedule of fee for the OSS:

<b>Application Type / Service</b>	<b>Fee</b>
